

10 Commandments

Exodus 20:1-21 (pg 61)

Preacher: Andrew Holt

You Shall Not Make for Yourself Any Image to Worship

There are no other gods to worship

There is no better God to worship

Be careful *how* you worship the one God

He loves you too much to tolerate unfaithfulness

Taking the truth deeper

- What are you tempted to worship as a substitute for worshipping the true God?
- How do you re-imagine the true God and worship that 'image' instead?
- Why is that 'image' more appealing than the true God?
