1 Kings 19:1-21 (pg. 301)

Preacher: Ally Henderson

The still, small voice of ... judgment

- The nation hasn't actually turned back to God
- The covenant isn't being renewed
- And the assassins are coming

(but there is still hope...)

Luke 3:3-22

Elijah --> John the Baptist

Elisha --> Jesus

Taking the truth deeper

- How does this passage reassure you when it looks like most people around you are turning their backs on God?
- How do you feel about the fact Jesus will come one day in judgment?
