

Nehemiah – Repairing the Broken

Nehemiah 5.1-19

'Nehemiah - Repairing the Broken.' But repairing the broken... what... ?

1. The Scandal of Injustice Amongst the People of God (5.1-5)

Reflect

What situations of injustice have you seen in the past, or are you currently aware of, amongst the people of God – either here or further afield?

2. Righteous Anger, and Restorative Repentance (5.6-13)

Reflect

What might moving towards restorative repentance look like for us, in the situations you thought about before?

3. Servant Leadership in the Fear of the Lord (5.14-19)

Taking the truth deeper

- What situations of injustice are you aware of amongst God's people, either here or further afield? How does that make you feel?
- Do we need to repent of indifference towards such injustice, and what steps can we take to address it?
